Lin Bingru

2018.12.17 – 2018.12.23

## Practices

- Save scale-bias data as csv file for SPSS statistics of the scatterplot perception project.
- Do some research on pattern recognition and dynamic network.
- Finish the international connection part of the global telecommunication network project. Plan how to visualize domestic part.
- Learn *Visualization Analysis & Design*.

## Future Work

- Continue working on the scatterplot perception project.
- Visualize the domestic network data of the global telecommunication network project.
